

Now, we will talk about the individual commandments.

1st Commandment: No Other Gods.

In Exodus 20: 1-3, God first reminds Israel about bringing them out of Egypt and then speaks the commandment.

1: And God spake all these words, saying,

2: I am the LORD thy God, which have brought thee out of the land of Egypt, out of the house of bondage.

3: Thou shalt have no other gods before me.

What did you see in this clip?

In this clip, we see that Mr. Burns is trying to be a god. In doing so, he is attempting to get people to worship him and not the real God. We also see that the word “God” punishes him by fire. I am sure this is what Mr. Burns would deserve, but have a chance to repent of, however in real life, Mr. Burns might have been killed and God would have been right to do so if so desired or wanted to allow it.

Let's put this in another way to make it easier to show what I am talking about.

What we are getting at is that worshiping an idol is really worshiping oneself and will not allow a relationship to develop with the One True God very well until removed from your life.
